1.	18	Attachment A	<p><u>Question:</u> I am looking at bidding on this but I have a question - it is asking me to provide a flat fee for delivery in my bid - but I am wondering where that delivery would be to because I don't want to commit to going 100 miles for a few dollars - can you give me an idea of the general delivery areas that would be required if we were to get this so that I can price it accurately.</p> <p><u>Answer:</u> Due to the unpredictable nature of fire it is hard to state a general delivery area. Contractor may want to determine acceptable delivery range and bid delivery fee accordingly. The vendor may have to weigh the profitability at the time an assignment is offered and decline assignments beyond predetermined range. The Ordering Official <u>may</u> be able to arrange pickup if outside the predetermined delivery area. Predetermined delivery area should be included with the submittal.</p>
2.	18	Attachment A	<p><u>Question:</u> On the bid form, there's a box to fill in a SAM Y N. What is this?</p> <p><u>Answer:</u> On the Solicitation, section 1.5.7 System for Award Management (SAM) (Formerly CCR) Please circle (Y)es or (N)o, indicating whether you have registered/updated your information in SAM. Please provide the number is you have obtained one, otherwise, the SAM number is not <u>required</u> on the Firefighter Sack Lunch IFB.</p>
